Dec. 21 Featuring Mark Nizer Whether juggling laser beams at 1000 rpms, or five ping pong balls being thrown 20 feet in the air using only his mouth; or even juggling a burning propane tank, a running electric carving knife and a 16-pound bowling ball, you'll discover for yourself that Mark Nizer is truly "the juggler your mother warned you about." Or if she didn't, she should have.

Dec. 28 Featuring Mike Miller a master magician and illusionist, combines magical effects with his imaginative sense of humor. The results being a delightfully clever program that you will remember for a long time to come. After seeing the show there will be no doubt in your mind that deception can be fun.
